College Profile

Payyanur College, Payyanur is one of the most sought after Institution of higher education in North Kerala. Ever since its inception on July 15, 1965, the college has materialized the higher education dreams of thousands of youngsters who hail from Payyanur and the surrounding areas. The college started with 960 students at pre-degree level in Science and Humanities streams with affiliation to Kerala University. Later, the college was affiliated to Calicut university and at present to Kannur University. In 1969 UG courses commenced in the college and in 1984 the college was elevated to the status of a PG College. At present the college is offering UG courses in 14 disciplines across Science, Humanities, Commerce and Management studies streams as well as PG courses in Mathematics, Chemistry, Physics and English. The departments of Mathematics, Physics and Hindi are the approved research centers of Kannur University.

Payyanur College is run by the Payyanur Educational society which is a non communal, non partisan, secular society registered under the Charitable Societies Act (1965). At present the society is headed by Sri.K. Ramachandran. The college is located on a small hillock at Edat in Kunhimangalam GramaPanchayat and has a total campus area of around 70 acres with lush greenery. The college excels even a University in terms of the vastness of its campus, the students strength and the intellectual contributions made by the academic community.

Payyanur College has always stood on top in the University in examination results and extracurricular achievements. The greatest treasure of the college is its reputed alumni who are well placed in different walks of life all across the globe. The college was re accredited at B+ level in 2018. Currently the college caters to the higher education needs of over 1900 students.

The emblem of Payyanur College, Payyanur articulates **Nature, Education, Tradition and Humanity** along with the motto of the college "**Vidhyadhanam Sarvadhanath Pradhanam**" which may be translated into English as "**Education is the ultimate of all riches**".

VISION

The Vision of the college is "Our Education, Our Future" This vision reminds us of the positive changes in the world generated by educational efforts of the enlightened people of Payyanur who came forward in 1965 with the idea of founding an institution for imparting quality education to the rural and semi-urban population in and around Payyanur. The foremost objective of Payyanur College, Payyanur since then has been to provide quality higher education to all the aspiring people living within the catchment area across caste, creed, class and religion. Adhering to the principles of reservation and norms of admission based on merit, the college is able to serve the marginalized sections as well as the financially sound and academically competent. class. Besides, Payyanur College is unique in its secular character and mode of functioning. In the midst of caste and communal institutions that come up in large number, this institution stands up as the beacon of secularism and democratic spirit. The college has formulated the aforesaid vision to carry forward the message and practice of the founders who emphasized the worth of education as a means of upward social mobility for the rural people. The institution has strategic plans to actualize the vision through its stated mission.

MISSION

The Mission Statement of the institution is : Higher Education for Inclusiveness, Equity, Excellence and Sustainable, Holistic Development.

The finer aspects of the mission statement can be spelt out as follows:

 To be a model earth-friendly, sustainable, inclusive institution serving students and the local community through quality higher education.

 To disseminate secular and democratic values in the learners with a view to building a cohesive and tolerant society.

 To spread an inclusive consciousness beyond gender, class and caste prejudices for integrated national development.

 To propagate Social, Biological and Mathematical Sciences to assist the formation of a productive knowledge Society.

 To develop global competency in students.

 To preserve and advance the literary wealth of different Indian and foreign languages through study and healthy interaction

 To empower women and the socially deprived sections through education.

 To Promote green practices to decimate carbon footprints.

 To preserve biodiversity.

 To effectively employ ICT for Teaching, Learning, Evaluation and Research.

Library and Reading Room

LIBRARIAN : Vacant

LIBRARY ASSISTANTS : Sri. Sreenivasan N. V. and Sri. Lalu K. V.

The College Library became functional on 02.08.1965, the same year in which the college was established. In the beginning, the library was housed in a small room in the Main Block and there were only 332 books, two dailies and weeklies in the library. Now (as on 01.06.2018) it has a collection of 53560 books, 114 academic journals and periodicals, including career magazines, and 14 newspapers. In addition it has a collection of about 200 CD ROMS.

At present, the library is functioning as two separate units, ***viz. Central Library and Department Libraries.***

The Central Library is functioning in the three-storey Library Block constructed in 1986 with the financial assistance from the UGC. The Library Block, which has a carpet area of 462 sq.m., is located in the centre of the campus, easily accessible to both the students and the staff.

The Department Libraries function either in separate rooms meant for the same or in spaces marked for the purpose inside the respective Department Staff Rooms. The departments of Mathematics, Physics, Zoology, Economics, and Hindi have separate Library-cum-Reading Rooms. The departments of Commerce and English have their own Reading Rooms where the students are free to sit and read journals, periodicals and newspapers. The department libraries of Chemistry, Malayalam, Botany, Statistics and Sanskrit are attached to the department staff rooms.

Online Catalogue searching - webopac.payyanurcollege.ac.in

Collection

Books: - The College Library has a collection of 51791 books of which 30612 are kept in the Central Library (including reference books) and the remaining 21179 in various Department Libraries.

Academic Journals: - There are 26 academic journals in the Central Library and 88 journals in various Department Libraries.

Periodicals:- Over 50 periodicals are subscribed by the college and made available to the readers in the Reading Room-cum-Periodical Section.

Newspapers:- 14 copies of 12 leading dailies in English and Malayalam are made available in the Central Library.

Use of library On an average of over 260 students and staff use the facilities of the Reading Room-cum-Periodical Section per working day. 2 books(UG) 5 Books(PG)

are issued to a student at a time. In the case of staff 10 books are issued.

Working Hours: The working hours of the library is from 8.30 a.m to 5 p.m on all working days of the college. Internet facility & digital books are available in the library throughout the working hours . The Library provides access to online books and journals through INFLIBNET during this time. Books can be borrowed/ returned between 9.30 a.m and 2.00 p.m on all working days.

e-Library An Electronic Library is functioning as a separate wing of the Central Library. A collection of about 200 CD ROMS are available to the users. Moreover, Broadband Internet Browsing facility is provided throughout the working hours of the library. At present, 10 computers are made available for the E-Library. The Library also makes available Electronic journals for the users.

Orientation Classes At present, proper guidance is offered by the library staff to individual users to help them to use the modernized library system fruitfully. Special class- wise Orientation Sessions are being conducted for students so as to enable them to utilize the modernized library, including the E-resources, in the best possible way.

Career Guidance Section :The Reading Room of the Career Guidance Cell is functioning in the First Floor of the Library Block. About 550 books related to career guidance and personality development and 11 career journals are made available for the users. Books for coaching classes for entry in services are available in the Mathematics department library.

Important Rules

- 1) At a time students can avail themselves of 2(UG)5(PG) books and staff 10 books.
- 2) Books borrowed from the library should be returned within 15 days and they can be renewed for a further period if no one else has applied for the same books.
- 3) A fine of Rs. 1/- per day per book will be charged for delayed return
- 4) If a book is lost, the borrower should replace the book or pay its value as per rules.
- 5) Personal belongings such as bag, umbrella, books etc. are to be kept in the Belongings Rack kept for the same.
- 6) Library books should not be disfigured, soiled or damaged in any way and no marks should be made on the pages by the users.
- 7) Absolute silence should be maintained in the library.

All the books borrowed from the Central Library by students and members of teaching and non-teaching staff must be returned by the first of March every year for the annual physical stock verification of the Library. Absence from college will not be accepted as an excuse for not returning the books in time. If the due date for return of books falls on weekends or holidays the book must be returned on the next

working day. Transfer Certificates will be issued and caution deposit refunded only after the clearing all the dues to the library.

TUTORIAL SYSTEM

General instructions for conducting the tutorial

1. A meeting of the students of the concerned tutorial group may be convened by the group tutor.
2. Students may be given information about the objectives, need, importance etc. of the tutorial system.
3. A Proforma of the tutorial may be distributed to the students. They may be asked to submit the filled up Proforma to the concerned tutor.
4. Students under a tutor may be divided into difference groups, when the number of students is more. Such groups may have five or six members only. Each group may be directed to meet the group tutor on a particular day of every week (preferably at the lunch break)
5. Attendance of the students in the tutorial group may be marked in the books provided for tutorial. A weekly report about the progress of tutorial work should be submitted to the Principal.
6. Each group under a tutor will meet the tutor at least once in a week.
7. The tutor is expected to communicate with the students under him/her in a very cordial and friendly way and discuss the problems faced by his/her wards in their personal life, studies, etc.

A very successful interaction in the tutorial system will instil confidence in the students and help the develop-ment of their personality. Many problems faced by the students can be sorted out with the help of the tutor. A successful tutor will both be a guide and mentor to their wards. Students will have no hesitation in discussing the problems faced by them with their tutors and thereby a very cordial and friendly relationship between the teachers and students will be established in the campus.
