6B16POL- PROJECT

INSTRUCTIONS WITH REGARD TO PROJECT WORK

The dissertation/project topic may be theoretical or empirical relevant to the study of Political Science. It can be done as group work and the group shall contain maximum six members. The dissertation shall be divided into Preliminary, Introduction, Chapters, Conclusion and List of Selected Bibliography

a) Preliminary

The preliminary part should contain Title page, Certificate, Preface with Acknowledgement (not mandatory), Contents with page numbers and list of tables and figures

b) Introduction

Introduction specify the objectives of the study, scope and relevance of the study and a general introduction of the topic

c) Chapters

Chapters should analyze the core content of the topic

d) Conclusion

Conclusion must contain a brief revisit to the problem and highlight the relevance and significance of the study. Conclusion states the findings of the study and suggestions if any.

e) List of selected Bibliography

Preparation and submission of the Report

The Dissertation must be typed in A4 size paper, Times New Roman 12 size font. References and foot-notes/end notes must be given in a standard reference format (APA/MLA). Dissertation must be spirally bound. Size of the typed matter may be 40- 60 pages.

The topic for the dissertation should be assigned at the beginning of the Vth semester. As part of the project a study tour should be conducted. The purpose of the tour is to familiarize students with various political systems prevailing in India and to acquaint with different political institutions. A tour report should be submitted to the concerned research guide before the completion of the project. The project reports should be submitted to the Department in duplicate before the completion of the VIth Semester.

OPEN COURSE
