# ENTERPRISE RESOURCE PLANNING

The institution has framed an E-Governance Policy and ERP documents with various vendors to promote digital transformation and ensure effective governing system. The E-Governance Policy covers both academic and administrative operations of the college. Admission, Examination, Student Data Management, Student Support and Assessment, Learning Management, Inventory Management, Staff Management, and Finance & Accounts Management fall within the purview of this policy.

The procedure for installation of ERP softwares are given below:

- The Management/ Principal identify and select vendors on the basis of user-friendliness, quality of service and cost-effectiveness, aligning with the institution's requirements.
- Vendors have the opportunity to showcase and elucidate the unique features of their services.
- An official agreement is made with the selected vendor incorporating all the terms and conditions for their services.
- Continued technical support is ensured from the part of the vendor.

Various Committees and Coordinators are constituted at both college and department level to oversee and regulate the ERP system.
